There is an insane amount of occult and demonic symbolism around us everyday. And we, through constant exposure, are blind to it.

SYMBOLS

These are the symbols used all around you everyday. These are printed on shirts, documents, you see them on you phone, tablet, and you used some in transactions. And most people don't even know their there.

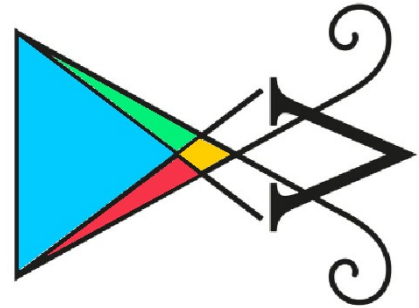

GOOGLE PLAY STORE

Greater Church of Lucifer

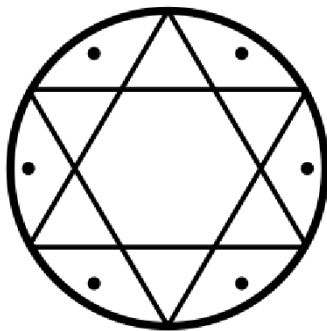

Google Play Store

This symbol stands for the Greater Church of Lucifer. A church of Satan. And for some reason, the Google play store logo has the same shape as the pyramid in the demonic logo^{B1}.

Other than just appearance, there is no provable connection between Google's Play Store logo, and the Satanic symbol for the Greater Church of Lucifer.

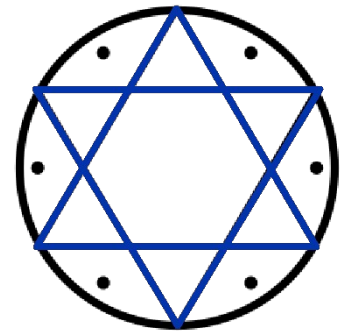

STAR OF DAVID

Seal of Solomon

Star of David & Israel Flag

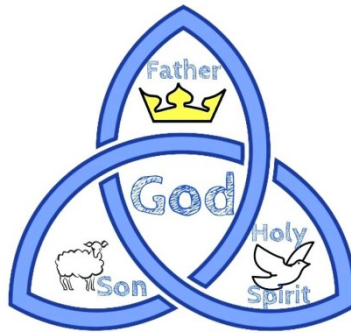

Even though it is often associated with Israel, the "Star of David" is historically an occult symbol. Used in Hinduism/Tantric Paganism, Buddhism, Alchemy, Hermeticism and Renaissance Pagan Revivals, and Witchcraft and Folk Magic in Europe^{B2}.

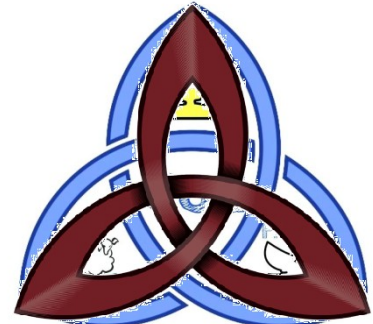

THE TRINITY

Wicca

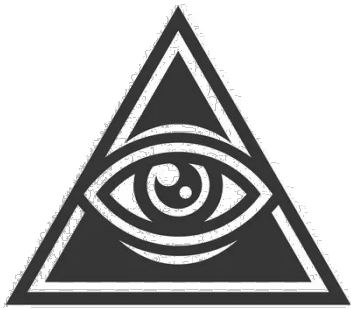

Trinity

This is the Wicca (among many others) symbol, or as many now know it, the symbol of the Trinity. It was never the symbol for the Trinity. The symbol is historically used in: witchcraft rituals, spellwork, altar setups in pagan or occult traditions, charms for protection or power, ceremonial magic in Hermetic or Western occult traditions, divination tools (like tarot or pendulums), symbols in esoteric books or grimoires, and magical circles for casting or energy work^{B3}.

Now seen on the NKJV bible, the Ascension hospitals, and other seemingly innocent places, this symbol is for many, a calming sight to see.

DOLLAR BILL

Illuminati Triangle

Dollar Bill

The Illuminati triangle (also known as the Eye of Providence) has been widely utilized in modern pop culture, particularly within music, fashion, and celebrity imagery. Historically, the Eye of Providence was a Christian symbol representing God's omnipresence and divine guidance. It was later adopted by Freemasonry in the 18th century^{B4}. And now it stands for the Illuminati, while at the same time adorning the back of the US one dollar bill.

Never take something that culture gives you at face value. God set things in perfect order once. Man has since messed it up, and if we ever want things to be better, we only need move back toward God and what He originally created.

To God be the glory forever and ever.

**Be not among winebibbers; among riotous eaters of flesh:
For the drunkard and the glutton shall come to poverty: and drowsiness
shall clothe a man with rags.**

Proverbs 23:20-21
